To: Mayor and Rio Dell City Council
Through: Ron Henrickson, City Manager
From: Rick Chicora, Wastewater Superintendent
Date: May 25, 2012
Subject: Camera Inspection System

Recommendation

It is recommended that the City Manager authorize the purchase of the Cues K2 Portable Mainline Camera Inspection System.

Budgetary Impact

The costs for this project will be taken out of Wastewater Reserves.

Discussion

As you are aware, the City's Sewer Collection System is in dire need of repair. The City currently has a pipe patch repair kit, but we need a camera system to help locate problem areas to be repaired with that kit. The City requested proposals from different manufacturers and we received three bids. The low bidder ended up being Weco Industries which sells the Cues K2-Dolly Portable Mainline System. They met all the City's requirements in their proposal, which includes a software program that will help map the entire system and keep track of repairs. It will also work with the City's existing GIS system. Their bid price was \$53,196.00

I also discussed this system with several other communities that use their system and they all have given me glowing reviews.

TO: Honorable Rio Dell City Council

FROM: Ron Henrickson, City Manager *RH*

DATE: May 29, 2012

SUBJECT: Approval of May 2012 Employment Handbook

ATTACHMENTS: May 2012 Employment Handbook

Council Action:

- A. By motion receive and file the May 2012 Employee Handbook and place it on the Council June 5, 2012 meeting agenda for approval.
- B. Take no action.

Background:

The existing Personnel Rules (Employee Handbook) was adopted in August 1989 and is, needless to say, out of date. The proposed new Handbook addresses numerous changes which have occurred over the years both in operations and law. The Handbook incorporates previous recommendations from Liebert Cassidy as well as review by the current City Attorney, Russ Gans.

Financial Impact: Not applicable

City Manger Recommendation:

The City Manger recommends the Council receive and file the Employee Handbook and place it on the June 5, 2012 Council agenda for approval.

ACKNOWLEDGMENT OF RECEIPT OF EMPLOYEE HANDBOOK

I acknowledge that I have received a copy of the City of Rio Dell Employee Handbook dated May 2012. I have read and understand my rights to and responsibilities for fostering a safe, professional, and discrimination-free work environment as set forth in the Handbook. In particular, I have read the policy against Harassment as well as the Drug-Free Workplace policy. I agree to abide by these policies, as well as the other policies contained in the Handbook. I have also had an opportunity to discuss any questions with my supervisor or Department Head.

In addition, I understand that, because the City of Rio Dell cannot anticipate every issue that may arise during my employment, if I have questions regarding any of the City of Rio Dell's policies or procedures, I will consult my Supervisor, my Department Head or the City Manager.

I agree and understand that my relationship with the City of Rio Dell is "at-will," which means that my employment is for no definite period and may be terminated by the City of Rio Dell or me at any time for any reason, with or without cause or advance notice. I further understand that the City of Rio Dell may demote or discipline me or otherwise alter the terms of my employment at any time and at its sole discretion, with or without cause or advance notice. I understand that only the City Manager may change this at-will employment relationship, and then only if it is in writing.

I further understand that the policies contained in the Handbook are guidelines only and are not intended to create any contractual rights or obligations, express or implied. Similarly, these policies shall not be construed to create any type of "fair" procedure prior to termination or other disciplinary action. I further understand that the City of Rio Dell has the right to amend, interpret, modify, or withdraw any of the provisions of the Handbook at any time in its sole discretion, with or without notice, except for its policy of at-will employment.

I also understand and agree that if the terms of this Acknowledgment of Receipt are inconsistent with any policy or practice of the City of Rio Dell now or in the future, the terms of the Acknowledgment of Receipt shall control.

Lastly, I understand and agree that this Acknowledgment of Receipt contains a full and complete statement of the agreements and understandings that it recites, that no one has made any promises or commitments to me contrary to the above, and that this Acknowledgment of Receipt supersedes all previous agreements, whether written or oral, express or implied, relating to the subjects covered by this Acknowledgment of Receipt.

SECTION 1: PRELIMINARY STATEMENTS

1.01 INTRODUCTION

This Handbook is intended to help employees get acquainted with the City of Rio Dell and provide information about its employment practices. The City of Rio Dell shall conduct its business in a professional, courteous, and ethical manner. This Handbook exists to ensure the City of Rio Dell is sensitive to, and responsible for, the efficient, economical, and legal implementation of its business operations.

The purpose of the Handbook is to emphasize that, as City of Rio Dell employees, we have a responsibility to the public, to our stakeholders, partners, and colleagues, and to ourselves to conduct all facets of our business in a professional and ethical manner. It explains some of our philosophies and beliefs, and describes, in general terms, some of our employment policies. This Handbook is not intended in any way to create an employment contract, or any other contract, express or implied, nor is it intended to otherwise create any legally enforceable obligations on the part of the City of Rio Dell or its employees. If at any time there should be a conflict between a description in this Handbook and other employment contracts, the terms of any superseding contract will govern. Although this Handbook is not intended to be an official policies and procedures manual, we hope that it will serve as a useful reference document for employees throughout their employment. In addition to this Handbook, law enforcement officers employed by the City of Rio Dell Police Department should also refer to the California Public Safety Officers Procedural Bill of Rights Act (California Government Code §§ 3300-3312), which bestows certain rights upon specified peace officers, as stated in the Act. Furthermore, law enforcement officers employed by the City of Rio Dell Police Department are expected to perform their job duties in accord with the Rio Dell Police Department Policy Manual.

This Handbook supersedes and replaces all previous handbooks, personnel policies, practices, and guidelines.

Because the City of Rio Dell is a constantly-changing organization, it, acting through the City Council, reserves complete discretion to add to, modify, or delete provisions of this Handbook, or the policies and procedures on which they may be based, at any time without advance notice, with the exception of its At-Will Employment policy. Employees will be advised of changes that occur.

To obtain information regarding specific employment policies or procedures, whether or not they are contained in this Handbook, employees should contact their Supervisor or Department Head, or the City Manager. If you need an explanation in another language, please contact your Supervisor or Department Head for assistance. The City of Rio Dell wants all employees to understand the City's policies and procedures and the services that the City of Rio Dell provides to the public. You are encouraged to bring suggestions for improvement to the attention of your Supervisor or Department Head.

No one, other than the City Manager, has the authority to enter into any employment or other agreement that modifies City of Rio Dell policy. Any such modification must be in writing and signed by the City Manager and the affected employee and approved by the City Council.

This Handbook is the property of the City of Rio Dell, and it is intended for personal use and reference only by employees of the City of Rio Dell. Circulation of this Handbook outside of the workplace requires the prior written approval of the City Manager.

Employees are required to sign the Acknowledgment of Receipt form that will be distributed at the time employees receive this Handbook. This should be returned to your Department Head, the Finance Director or the City Manager as soon as possible. This completed form will be retained in each employee's official personnel file and will provide the City of Rio Dell with a record that each employee has received this Handbook. This Handbook is intended to apply to all employees.

2.11 WORKPLACE ETIQUETTE

The City of Rio Dell can be a better place to work when all employees show respect and courtesy to each other. Sometimes there are problems when employees do not realize that they are bothering or annoying other people. If this happens to you, you should first try to solve the problem by politely telling your co-worker what is bothering you.

In most cases, if you use courtesy and common sense, the problem can be fixed. We encourage you to keep an open mind. If another employee tells you about something that you are doing that makes it hard for that person to work, try to understand the other person's point of view.

The following are some guidelines and suggestions for how to be considerate of others at work. You will not necessarily be disciplined if you do not follow these suggestions, but the guidelines will help you get along with others. If you have comments or suggestions about workplace etiquette, contact the Supervisor/Department Head.

SECTION 3: EMPLOYMENT CLASSIFICATIONS, PRACTICES AND PROCEDURES

3.01 ATTENDANCE AND PUNCTUALITY

We expect all of the City of Rio Dell employees to be reliable and punctual. You should report for work on time and as scheduled. If you cannot come to work or you will be late for any reason, you must notify your Supervisor/Department Head as soon as possible.

Unplanned absences can disrupt work, inconvenience other employees, and affect productivity. If you have a poor attendance record or excessive tardiness, you may be subject to disciplinary action, up to and including termination of employment.

Excessive tardiness occurs when an employee is late to work or returning from breaks more than three times during any 30-day period. Excessive absenteeism occurs when the number of absences exceeds 3 days in any three-month period.

3.02 AMENDMENT AND REVISION OF RULES

Recommendations for amendments and revisions of these rules may be made by the City Manager, elected officials, any duly recognized employee's association and the City Attorney. Proposed amendments or revisions shall be publicly posted for at least five (5) consecutive business days prior to consideration by the City Council at a regularly scheduled City Council meeting. At the time of consideration, any interested party may appear and be heard. Amendments and revisions shall become effective upon adoption by resolution by the City Council following such hearings and as agreed to between the City Council and any duly recognized employee association, if such amendments and revisions are within the scope of meet and confer requirements.

3.03 BACKGROUND/REFERENCE CHECKS

To ensure that individuals who join the City of Rio Dell are well qualified and have a strong potential to be productive and successful, it is the policy of the City of Rio Dell to check the employment references of all applicants.

The responses to such inquiries will confirm only dates of employment, wage rates, and positions held.

Prior to making any commitment to prospective full-time employees, the City of Rio Dell shall also (unless prohibited by law) perform a background investigation to evaluate a job candidate's qualifications, character, fitness, and to identify potential hiring risks for safety and security reasons. A background investigation would include criminal history, social security number trace, past employment verification, and credit score. Any offers of employment may be made to prospective employees contingent upon the results of such background check.

3.04 CAUSE OF IMMEDIATE DISCHARGE

Willful or neglectful misuse, damage, or destruction of public or private property, City vehicles, or City equipment or willful violation of any municipal rule or regulation, City ordinance, state or federal law could be the cause for immediate discharge from employment with the City of Rio Dell.

3.05 CELL PHONE POLICY

The City of Rio Dell has established a Cell Phone policy pursuant to Resolution No. 1030-2009 and allows employees whose job duties include the frequent need for a cellular phone to be issued a City-owned cellular phone, or to be entitled to receive extra compensation in the form of a cellular phone allowance to cover business-related use of their personally owned device and service plan. There are three levels of allowances based upon City need and usage criteria. Employees should contact their Supervisor for specific information regarding cellular phone allowances.

In the interest of safety, employees (excepting law enforcement officers) are expressly forbidden from using cell phones while driving either on City business or during City hours. This includes writing, sending, or reading text-based communications, such as text messages or e-mail.

If your job requires you to keep your cell phone turned on at times while you are driving, you must use a hands-free device or safely pull off the road and park your vehicle before talking on the phone. Employees are expressly prohibited from placing any phone calls while operating a motor vehicle while driving on City business and/or City time.

Failure to comply with this policy may result in discipline, up to and including termination.

3.06 COMMUNICATIONS POLICY

Electronic communications, including the contents of the City-owned computers and telephones are the properties of the City of Rio Dell. This policy is meant to set forth guidelines regarding access to and disclosure of information/messages sent or received by the City of Rio Dell employees using the system. This policy may be changed at any time. The Internet, electronic mail, phone mail, or any other communication or information system of the City of Rio Dell is not to be used in any way that may be disruptive, offensive to others, or harmful to morale.

The City of Rio Dell electronic communication systems, including computers and telephones (including all hardware and software and all contents) are the exclusive property of the City of Rio Dell.

The City of Rio Dell treats all computer files, including electronic mail (e-mail) sent or received, as business information. The City has the capability to access, review, copy, and/or delete any computer files, including e-mail sent or received. If employees make incidental use of the computer system for personal files or e-mail, employees should not expect personal files or e-mail

to be protected from review by other employees. Accordingly, employees should not use the City of Rio Dell's computer system to create or transmit any information they wish to keep private.

Confidential Information: Employees must exercise extreme caution when creating or transmitting City of Rio Dell confidential information. Confidential information should not be transmitted to any individual not authorized to receive such information.

E-mail: When transmitting messages via e-mail, employees should consider that e-mail messages can be read by persons other than the addressee and that the message may be later disclosed to outside parties or a court in connection with litigation. Because of these concerns, the City of Rio Dell employees are required to maintain the highest standards of courtesy and professionalism when transmitting e-mail.

City of Rio Dell computer systems should not be used to solicit or proselytize for commercial ventures, religious or political causes, or outside organizations that are not authorized by the City of Rio Dell.

Internet: The City of Rio Dell provides employees with access to the Internet for business-related purposes. The City of Rio Dell has the capability to review web-site access. Employees should not have any expectation of privacy regarding the web-sites accessed through the City of Rio Dell computer system. Computer systems may "leave tracks" at web-sites visited. Because of the nature of City of Rio Dell business, any incidental use of the Internet for personal use must be conducted with the highest levels of professionalism.

Employees may not use the City's Internet connection to download games or other entertainment software, or to play games over the Internet.

Software: The City of Rio Dell prohibits the unauthorized use of software. The City of Rio Dell expects its employees to conduct themselves responsibly in this regard. Employees should refrain from making or using unauthorized copies of software programs. Employees may not install any non-City owned software programs on any City computer without the approval of the City Manager.

Violators of this policy are subject to disciplinary action, up to and including discharge, for any violation reasonably believed to have been committed.

3.07 CODE OF ETHICS

1. Purpose

A. It is the policy of the City of Rio Dell to uphold, promote, and demand the highest standards of ethics from all of its employees and officials, whether elected, appointed, or hired. City officials and employees shall maintain the utmost standards of personal integrity, truthfulness, honesty, and fairness in carrying out their public duties; avoid any improprieties in their roles as public servants including the appearance of impropriety; and never use their City position or powers for improper personal gain. It is further the policy of the City that the public's right to know of complaints of violations of the Code of Ethics by City-elected officials far outweighs any right that these matters remain secret and private and that full access to information concerning the interests that seek to influence governmental decision-making must be assured as a fundamental and necessary precondition to the sound governance of a free society.

3.08 "AT-WILL" EMPLOYMENT

Your employment relationship with the City of Rio Dell is "at-will." This means that you are entirely free to terminate your employment at any time, either with or without a reason. It also means that the City of Rio Dell has the very same right as you and can terminate your employment at any time, with or without cause or advance notice.

This represents an integrated agreement with respect to the at-will nature of your employment relationship. No representative or employee of the City of Rio Dell, other than the City Manager, has the authority to enter into a contrary agreement. c. Termination Due to Reorganizations, Economics or Lack of Work

From time to time, the City of Rio Dell (acting through the City Manager) may need to terminate an employee as a result of reorganizations, job eliminations, economic downturns in business, or lack of work. Should the City of Rio Dell consider such terminations necessary, it will attempt to provide all affected employees with advance notice when practical, or when required by law.

2. Discipline and Rules of Conduct if above changed accepted, this should be 2 now.

a. Policy

Employees are expected to observe certain standards of job performance and good conduct. When performance or conduct does not meet City of Rio Dell standards, the City of Rio Dell will endeavor, when it deems appropriate, to provide the employee a reasonable opportunity to correct the deficiency. If, however, the employee fails to make the correction, he or she will be subject to discipline, up to and including discharge. Further, this policy does not alter the at-will nature of each employee's employment.

The rules set forth below are intended to provide employees with fair notice of what is expected of them. However, such rules cannot identify every type of unacceptable conduct and performance. Therefore, employees should be aware that conduct not specifically listed below but which adversely affects or is otherwise detrimental to the interests of the City of Rio Dell, other employees, clients or customers (or other third parties), may also result in disciplinary action.

A copy of any correspondence placed in the personnel file will be available to the affected employee.

f. Disciplinary Action

(1) Conduct Resulting In Discharge

i. Written Warning

An employee who is not discharged for a first violation of this policy will receive a final written warning and/or an immediate suspension, without pay, at the sole discretion of the City of Rio Dell. A copy of any correspondence placed in the personnel file will be made available to the subject employee

3. Exit Interview

Employees who leave the City of Rio Dell for any reason may be asked to participate in an exit interview with the City Manager (or designee). This interview is intended to permit departing employees the opportunity to communicate their views regarding their work with the City of Rio Dell, including job duties, job training, job supervision, and job benefits.

At the time of the interview, or as otherwise specified by the City of Rio Dell, employees are expected to return all City-furnished property, such as uniforms, tools, equipment, I.D. cards, keys, credit cards, documents, and handbooks. Arrangements for clearing any outstanding debts with the City of Rio Dell and for receiving final pay also will be made at this time.

4. Employment At-Will

Nothing in this guideline is intended to alter the at-will status of employment with the City of Rio Dell. Either the City of Rio Dell or you may terminate the employment relationship at any time, with or without cause, and with or without prior notice. The City of Rio Dell reserves the right to

terminate any employment relationship, to demote, or to otherwise discipline an employee without resort to the above disciplinary procedures.

3.10 E-MAIL RETENTION POLICY (City of Rio Dell Resolution No. 1000-2008)

Generally, e-mail messages are temporary communications which are non-vital and should be discarded routinely. However, depending on the content of the e-mail, it may be considered public record. Accordingly, employees have the same responsibilities for e-mail messages as they do for any other public record and must distinguish between records and non-record information.

While City electronic e-mail retention is for a maximum period of 180 days, an e-mail communication should be deleted as soon as practicable from the system. It is the policy of the City of Rio Dell that e-mail is not to be used to retain or store public records of any department. Communications or records intended or required by law to be retained shall be printed in a hard copy and filed or stored as appropriate or saved to designated electronic files or other media as required by any departmental or city procedures. It is City policy that all departments adhere to their legal record retention requirements. E-mail should be printed and filed in the appropriate location if any law requires a communication to be kept for a period greater than 180 days. Employees should seek guidance from their Department Heads in order to ascertain the specific time requirements applicable to the documents generated, received and or maintained by their department.

E-mail should be considered a communication tool, not a storage mechanism. Back-up tapes are for disaster recovery purpose only. Retention is the responsibility of the sender of the message, not the back-up process. Backup copies are *not* for the purpose of records retention. Back-up tapes should be retained no more than six months.

Regardless of retention requirements, e-mail and all other electronic or paper documents pertaining to threatened or actual legal proceedings must be retained until the litigation is finally concluded.

The definition of public records includes any writing containing information relating to the conduct of the public's business prepared, owned, used or retained by the City. The definition includes electronic records, including e-mails. The definition does *not* include preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the City in the ordinary course of business.

Because of system capacity concerns, personal correspondence and interdepartmental and intradepartmental e-mails should routinely be deleted unless either the sender or the recipient would have retained the writing had it been sent in any other form. E-mail from outside the City should be retained by the recipient, if he or she would have retained the document if it had been sent in any other form.

The sender of the e-mail is responsible for ensuring proper retention of e-mails sent within the City. All other copies are duplicates and may be deleted. However, if a record e-mail was sent by an outside agency, a member of the public or anyone outside the City, the recipient is responsible for retention if required.

E-mail itself is not considered a record category; it is a means of transmission of messages or information. Retention or disposition of e-mail messages must be related to the information they contain or the purpose they serve. Thus, the retention period is determined by the content of the

e-mail, not the medium. Record e-mails may be deleted upon expiration of the statutory retention period (or after 180 days if there is no statutory retention period) or as appropriate on authorization of the City Council,

Attachments should be retained or disposed of according to the content of the attachment itself, not the e-mail which transmits the attachment. Thus, attachments should be retained if they constitute a document which the recipient or the sender would ordinarily retain in the ordinary course of business.

E-mail will be deleted after 180 days.

E-mail is not used to store public records.

E-mail that requires storage for a period of greater than 180 days should be printed and filed or saved as a document for electronic storage in your network folders.

3.11 EMPLOYMENT APPLICATIONS

We rely on the accuracy of the information you put on your employment application. We also expect that you and your references give accurate and true information during the hiring process and employment. If we find that any information is misleading, false, or was left out on purpose, we may reject an applicant from further consideration. If the person was already hired, it could result in termination of employment. Applications will remain on file for one (1) year.

3.12 EMPLOYEE CONDUCT AND WORK RULES

We expect you to follow certain work rules and conduct yourself in ways that protect the interests and safety of all employees and the City of Rio Dell.

While it is impossible to list every action that is unacceptable conduct, the following lists some examples. Employees who break work rules such as these may be subject to disciplinary action, up to and including termination of employment:

Likewise, the City of Rio Dell may terminate your employment at any time, with or without cause or advance notice. It is common practice to give two weeks' notice to your employer before terminating your employment, although there is no right to prior notice.

3.13 EMPLOYEE MEDICAL EXAMINATIONS

Employees of the City of Rio Dell must be in possession of a valid California Driver's license while employed with the City. Employees of the City could be asked to drive a City vehicle at any time to make deliveries or for any number of job situations. For that reason a job applicant will be asked to submit to a medical and drug test before being hired to work for the City.

3.14 GIFTS AND GRATUITIES

No employee shall solicit or accept any gift, gratuity, or discount for City services rendered, bids or contract awarded, or for any other reason connected with the exercise of his or her duties and responsibilities as an employee.

3.15 GRIEVANCE PROCEDURE

1. Consideration of Grievances

This procedure is established in order to provide opportunities for City employees to bring forth their view relating to any alleged unfair or improper aspect of their employment situation and to seek a resolution of such matters.

Definitions:

A "**grievance**" shall mean a statement by a grievant that a controversy, dispute or disagreement of any kind or character exists arising out of or in any way involving interpretation of rule, policy, M.O.U., ordinance, resolution, or practice, or that an employee has been treated unfairly or inequitably, or that there exists a condition which jeopardizes employee health and safety which is beyond the control of the grievant. The grievance procedure shall not be used for disciplinary appeals.

A "**grievant**" shall mean an employee or group of employees filing a grievance.

In any instance of grievance, the employee concerned shall first make efforts to resolve such grievance with his/her Department Head. If the efforts to resolve the grievance with the Department Head are not satisfactory, the employee may submit his/her complaint in writing to the Department Head.

Upon receipt of the written complaint, the Department Head shall make such investigation as required under the circumstances and reply in writing to the employee within ten (10) working days after receipt of the statement from the employee.

If the employee wishes to discuss the grievance further, he/she shall within ten (10) working days of the receipt of the reply from the Department Head submit a written request for a meeting with the City Manager. If the complaint relates to the City Manager, your complaint should be submitted to the then current Mayor for the City of Rio Dell.

The requested meeting will be held by the City Manager at the earliest date possible at which the employee, the Department Head, and any other persons invited by the City Manager may be present. The decision made by the City Manager as the result of the findings and conclusions determined at this meeting shall be communicated to the employee within ten (10) days following the meeting. This decision may be appealed to the City Council. Written appeal must be made to the City Council within ten (10) working days of receipt of the City Manager's decision. The City Council shall hear the appeal within thirty (30) days. The City Council's findings and determinations shall be communicated to the employee within ten (10) days following the hearing.

2. Employee Rights

No reprisals whatsoever shall be invoked against any employee for processing a grievance or participating in the grievance procedure. Paid release time shall be provided when approved by the City Manager for participants in the processing of grievances. Such release time will be given with due consideration of the needs of the City for services including scheduled hearings before the City Council. When scheduling conflicts arise as a result of such needs, reasonable extensions of time shall be granted.

The employees participating in the grievance procedure may be represented, at the employee's option, by one duly recognized Employee Association Representative at any or all steps of the grievance procedure, provided, however, the Employee Association Representative has been designated as a representative of the association, in writing, at least ten (10) days in advance of such step in the grievance procedure. The total number of designated City employee representatives shall be limited to three in number, one from each of the three City Departments, together with any paid professional nonemployee representative of a duly recognized employee association. Designation of employee representatives may be substituted upon ten (10) days advance written notice to the City. Multiple grievants presenting the same or substantially similar issues shall be limited to the same representative in the absence of a legal conflict of interest.

3. Hearing

Step 1: The hearing before the City Council shall be informal.

Step 2: There shall be no formal rules of evidence.

Step 3: The employee shall present his/her own case or designate a representative who need not be an attorney but may be an attorney.

Step 4: The City Manager and/or the Department Head shall present his/her own case.

Step 5: The City Attorney, if he/she is present, shall not serve as an advocate for either party. His/her responsibility would be the same as at a regular City Council meeting, to advise the City Council as to the law and its bearings in the matters under discussion. Nothing herein shall, however, prohibit the City from retaining independent counsel to represent the City's interests.

Step 6: All hearings shall be closed to the public except at the request of the affected employee. Upon written request for a public hearing, the hearing shall be open.

Step 7: All appeals proceedings shall be tape-recorded. Recordings and records of appeal proceedings shall be maintained by the City Clerk for a period of two (2) years after the final decision is rendered by the Council. Employees may be

allowed copies of said tapes at cost at any time within said two (2) year period. Either party may request a stenographic reporter to record the proceedings. The cost of a stenographic reporter shall be borne by the requesting party. In the event a transcript is requested by either party to a proceeding, the original and one (1) copy thereof shall be filed with the City Clerk after its preparation by the stenographic reporter is completed.

Step 8: Any court action brought by either party must be brought within ninety (90) days of the final decision of the City Council.

3.16 HANDLING OF CONFIDENTIAL INFORMATION

Some employees will work with information that is of a confidential nature. If an employee is given such information, they are expected to keep the information confidential and should not share the information with unauthorized persons.

Violators of this policy are subject to disciplinary action, up to and including discharge, for any violation reasonably believed to have been committed.

3.17 INVOLUNTARY DEMOTION

The Department Head may demote an employee whose ability to perform his required duties falls below standard or for disciplinary purposes. No employee shall be demoted to a position for which he does not possess the minimum qualifications. Involuntary demotions shall be made in accordance with the City's progressive discipline policy.

3.18 JOB DESCRIPTIONS

We try to have accurate job descriptions for all jobs at the City of Rio Dell. A job description includes the following sections: job information; job summary (gives a general overview of the job's purpose); essential duties and responsibilities; supervisory responsibilities; qualifications (includes education and/or experience, language skills, mathematical skills, reasoning ability, and any certification required); physical demands; and work environment.

We use the job descriptions to help new employees understand their jobs and their responsibilities. We also use job descriptions to identify the requirements of a job, set up the hiring criteria, set standards for employee performance evaluations, and establish a basis for making reasonable accommodations for individuals with disabilities.

New job descriptions are created when a new job is created. We review existing job descriptions and change them when a job changes. You can help by making sure that your job description is accurate and describes your job duties.

Your job description does not necessarily cover every task or duty that you might be assigned. You may be assigned additional responsibilities as necessary. If you have questions or concerns about your job description, contact the City Manager.

3.19 LAY-OFFS

Whenever it becomes necessary for employees to be laid off because of lack of work or lack of funds, all temporary or part-time employees of the Department shall be laid off before any

permanent employees. If additional reductions are necessary, permanent employees shall be laid off in reverse order of their seniority within a Department in the same job title. Except in emergency situations, employees laid off shall be given written notice of such lay off at least thirty (30) days prior to the effective date of the lay off. The names of permanent employees laid off shall be placed on a re-employment list for the Department involved in the lay-off. Persons on such lists shall retain eligibility for appointment there from in order of accumulated seniority for a period of two (2) years from the date their names were placed on the lists. Probationary employees shall receive credit for time previously served on probation if rehired within said two (2) year period.

3.20 LINES OF AUTHORITY

Each employee is responsible to his or her Department Head for proper performance of duty, conduct on the job, compliance with rules, regulations, and policies applicable to his/her employment. All requests, questions, suggestions, and grievances shall first be submitted to an employee's Department head who will take appropriate action in accordance with department policy and these rules.

Line of authority within the administrative organization of the City shall be as follows:

City Council
City Manager
Department Head

3.21 MANAGEMENT RIGHTS

You may hold an outside job as long as you can satisfactorily perform your job at the City of Rio Dell and the job does not interfere with the City's scheduling demands.

We hold all employees to the same performance standards and scheduling expectations regardless if they have other jobs. In order to remain employed at the City of Rio Dell, we will ask you to terminate an outside job if we determine that it is impacting your performance or your ability to meet our requirements, which may change over time.

You may not have an outside job that is a conflict of interest with the City of Rio Dell. Also, you may not get paid or get anything in return from a person outside the City of Rio Dell in exchange for something you produce or a service you provide as part of your City job.

3.26 PERFORMANCE EVALUATIONS

We encourage you and your supervisor to discuss job performance and goals on an informal, day-to-day basis. Formal performance evaluations are done at the end of your introductory period for any new job. The introductory period is a time for you and your supervisor to talk about your job responsibilities and the performance requirements of the new job. In addition, you and your supervisor will have formal performance evaluations to discuss your work and goals, to identify and correct weaknesses, and to encourage and recognize your strengths.

Performance evaluations are usually done every 12 months around the time of the anniversary of your original hire date or as stipulated in a specific employment agreement. Step increases in pay and/or benefits are dependent on having received a satisfactory performance evaluation during the performance review immediately preceding the increase.

We may give merit-based pay adjustments to some employees to recognize truly superior employee performance. These adjustments are based on a number of factors including the information documented by the formal performance evaluations.

5.01 ADMINISTRATIVE PAY CORRECTIONS

The City of Rio Dell tries to make sure that you are paid correctly and on scheduled paydays. The City of Rio Dell provides bereavement leave to employees who need to take time off because an immediate family member has died. To ask for bereavement leave, see your Department Head.

Regular full-time employees are eligible for up to five (5) days of bereavement leave with pay.

While you are on a paid bereavement leave, you will get your base pay rate but you will not get any special forms of pay, such as incentives, commissions, bonuses, or shift differentials.

We normally will give you bereavement leave unless there are business reasons that require you to be at work. With your Department Head's approval, you can use any available paid leave benefits you have, such as vacation, if you need more time off.

For bereavement leave, "immediate family" means your spouse, parent, child, brother, or sister; your spouse's parent, child, brother, or sister; your child's spouse; your grandparent or your grandchild.

D. The City reserves the right to cash out accumulated CTO at any time.

E. During employment, CTO is cashed out at the employee's current FLSA regular rate of pay (including all FLSA-applicable salary differentials). If you are eligible for paid holidays and a holiday occurs during the time of your vacation, you will be paid holiday pay not vacation pay.

If eligible non-exempt employees work on a recognized holiday, they will receive holiday pay plus their wages at one and one-half times their straight-time rate for the hours they worked on the holiday.

In addition to the recognized holidays previously listed, eligible employees (non-exempt) will receive one (1) floating holiday in each anniversary year. To be eligible for floating holidays, you must complete one (1) year of service as a regular full time employee. To use a floating holiday, you should first ask for advance approval from your Supervisor.

5.09 JURY DUTY

The City of Rio Dell encourages you to fulfill your civic responsibilities by serving jury duty if you get a summons. Employees in an eligible classification may request up to two (2) weeks of paid jury duty leave over any two (2) year period. Employee must endorse to the City any checks or warrants received in payment for jury duty exclusive of mileage for personal vehicle or other out-of-pocket expenses incurred due to jury duty. Upon being excused from jury duty, if four (4) or more hours are left in the employee's workday, the employee shall report back to work.

Regular full-time employees are eligible for jury duty. A full-time employee will be paid at their base rate of pay for the number of hours you would normally have worked that day.

If you stay on jury duty longer than paid jury duty allows, you may use any available paid time off benefits you have, such as vacation, to be paid for the unpaid jury duty leave.

If you get a jury duty summons, show it to your Supervisor/Department Head as soon as possible. This will help us plan for your possible absence from work. We expect you to come to work whenever the court schedule permits.

Either you or the City may ask the court to excuse you from jury duty if necessary. We may ask that you be relieved from going on jury duty if we think that your absence would cause serious operational problems for the City of Rio Dell.

Subject to the terms, conditions, and limitations of the applicable plans, the City of Rio Dell will continue to provide health insurance benefits for the full period of unpaid jury duty leave. Your vacation, sick leave, and holiday benefits will continue to accrue during unpaid jury duty leave.

5.10 LEAVE OF ABSENCE

A. Department Heads may grant a permanent or probationary employee leave of absence without pay. No leave of absence shall be granted except upon written request of the employee setting forth the reasons for the request, and the approval, if granted, will be in writing. The convenience of the City of Rio Dell shall be a primary consideration in deciding whether or not to grant a leave of absence.

The City Manager may determine that an employee's anniversary date, for purpose of merit pay increase, vacation accrual, or sick leave accrual, may change if leaves of absence taken by the employee exceed ten (10) working days in any one year.

Upon expiration of an approved leave of absence, the employee shall be returned to the same position held at the time leave was granted. Failure on the part of an employee to report promptly at the expiration of such leave may be just cause for disciplinary action, including, but not limited to, discharge.

After an investigation instituted upon his/her own motion or upon complaint, the City Manager may deny or revoke such leave of absence upon determination that it was for the purpose of accepting other employment; enabling the employment of a temporary employee in the same position; improper influence; or for any other purpose contrary to the good of the City of Rio Dell; and appropriate disciplinary action may be instituted.

B. An employee who is absent from duty for any reason shall report the reason thereof to his/her Department Head or an employee of the City immediately on the day of absence or before, if possible.

C. All unauthorized and unreported absences shall be considered as absence without leave and a deduction of pay shall be made for each period of such absence. Voluntary absence without leave for five (5) consecutive working days shall be considered as an automatic resignation from City service, any shorter period of voluntary absence may also be cause of employment termination.

5.11 OVERTIME POLICY

Overtime-eligible employees are not permitted to work overtime except as the Department Head authorizes or directs. Overtime-eligible employees directed to work overtime must do so. Working overtime without advance approval is grounds for discipline.

Unless otherwise stated in a Memorandum of Understanding, "overtime" is all hours an overtime-eligible employee actually works over 40 in his or her work week. Overtime is compensated at 1.5 times the Fair Labor Standards Act (FLSA) regular rate of pay. Only actual hours worked will be counted toward the 40-hour threshold for purposes of calculating FLSA overtime pay. No overtime shall be recorded or reported for less than 15 minutes of work.

5.12 PAYDAYS

The pay periods at the City of Rio Dell run from Saturday through a 14 day period and end on the following Friday. Time sheets are due in the City Hall office on Monday following the end of the pay period by 9 a.m. Paydays are every other Friday. All employees are paid by check or direct deposit on the above-mentioned payday.

5.13 SICK LEAVE

Sick leave with pay shall be granted by the City at a rate of 3.69 hours per payroll period. Payroll is every two weeks. Temporary or intermittent employees or employees who work part-time shall not be entitled to sick leave.

An employee shall be allowed to use one half of their yearly accrual of sick leave for the illness or injury of a parent, child, spouse, or domestic partner. (Labor Code Sections 233 and 234)

Sick leave shall not be considered as a privilege which an employee may use at his/her discretion, but shall be allowed in cases of necessity or actual sickness or disability. Sick leave may be used, with prior Supervisor's approval for dental, eye, and doctor appointments. Employees may accumulate earned sick leave hours without limitations as to maximum number of sick hours accumulated. Holidays occurring during the first thirty (30) days of sick leave shall not be taken as days of sick leave. For the purposes of computing sick leave, each employee shall be considered to work not more than five (5) days each week, and the minimum sick leave chargeable in hourly increments.

Sick leave credit shall continue to accrue while an employee is on sick leave in excess of thirty (30) days or on worker's compensation leave.

In order to receive compensation while absent on sick leave, the employee shall notify his/her Department Head or any employee of the City Clerk's Department prior to or within one (1) working hour after the time set for beginning his/her daily duties or as may be otherwise specified by the employee's Department Head. The City Manager or the employee's Department Head may, if he/she deems it necessary, require of the employee a doctor's certificate of fitness to return to employment and fitness to perform the regular duties of the employee from any employee who has taken three (3) or more consecutive days of sick leave or six (6) or more days during a thirty (30) day period. The Department Head shall not make unreasonable demands for such certification. The Department Head shall revoke pay and sick leave time if the employee has engaged in private or public work while on such leave. Misuse of sick leave privileges is grounds for disciplinary action.

If an employee has not recovered by the time his/her accumulated sick leave is exhausted, he/she may utilize accrued vacation; or a leave of absence without pay may be granted if requested by the employee in accordance with this Employee Handbook..

5.14 TIMEKEEPING

Non-exempt employees are responsible for accurately recording the hours they work. The law requires the City of Rio Dell to keep accurate records of "time worked" in order to correctly calculate employee pay and benefits. "Time worked" means all the time that non-exempt employees spend performing their assigned work.

If you are a non-exempt employee, you must accurately record the time you start and stop work, when you start and end any meal periods or split shifts, and when you leave the workplace for personal reasons. Before you work any overtime, you must always get advance approval.

Falsifying time records is a serious matter. You may not change time after it is already recorded, enter a false time on purpose, tamper with time records, or record other employees' time for them. If you do any of these actions, you may be subject to disciplinary action, up to and including termination.

Non-exempt employees must sign their time records to say they are accurate. Each Supervisor/Department Head will review and initial the time record before submitting it for payroll processing. In addition, if corrections or changes are made to the time record, both you and your Supervisor/Department Head must initial the changes on the time record.

5.15 VACATION BENEFITS

The City of Rio Dell offers vacation time off with pay to regular full-time employees who have been employed with the City for one year. If an employee asks for time off before their one year anniversary, the City Manager will make the decision as to whether it will be granted with or without pay.

You may accrue your vacation up to a maximum of 120 hours. After that time you will only be able to accrue additional vacation time after utilizing some portion of the previously accrued maximum of 120 hours. The smallest amount of vacation time you may use at once is in one (1) hour increments.

5.16 WORKPLACE INJURIES

Upon injury notify your Supervisor/Department Head IMMEDIATELY. Employees with work-related injuries will be asked to submit to post-injury drug testing within 24 hrs.

The City of Rio Dell provides a comprehensive Workers' Compensation Insurance Program to our employees. This program does not cost you anything.

The Workers' Compensation Program covers injuries or illnesses that might happen during the course of your employment that require medical, surgical, or hospital treatment. Subject to legal requirements, Workers' Compensation Insurance begins after a short waiting period, or if you are hospitalized, the benefits begin immediately.

It is very important that you tell your Supervisor/Department Head immediately about any work-related injury or illness, regardless of how minor it might seem at the time. Prompt reporting helps

to make sure that you qualify for coverage as quickly as possible and let us investigate the matter promptly.

Workers' Compensation covers only work-related injuries and illnesses. Neither the City of Rio Dell nor its insurance carrier will pay Workers' Compensation benefits for injuries that might happen if you voluntarily participate in an off-duty recreational, social, or athletic activity that we might sponsor.

Rio Dell, CA 95562

TO: Honorable Rio Dell City Council

FROM: Ron Henrickson, City Manager *RH*

DATE: May 29, 2012

SUBJECT: Consideration of Employment Agreements, Rio Dell
Employees' Association and Rio Dell Peace Officers
Association MOU's

ATTACHMENTS: Employment Agreements and Associations Memorandum of
Understandings

Council Action:

- A. By motion receive and file the Employee Agreements and Memorandum of Understandings (MOU's) for the Peace Officers Association and Employees' Association and place them on the Council June 5, 2012 meeting agenda for approval.
- B. Take no action.

Background:

All the Employee Agreements and Association MOU's will expire on June 30, 2012. Employee Agreements include the positions of Chief of Police, Finance Director, City Clerk, Community Development Director, Water and Roads Superintendent and Wastewater Superintendent. The proposed Employment Agreements and MOU's were negotiated with staff and Association representatives

and cover a two year period from July 1, 2012 to June 30, 2014. They have also been reviewed by the City Attorney.

The existing Agreements were negotiated after completion of a salary survey by CPS in 2010 which found that most staff salaries were far below the median for equivalent positions in the market area. At that time the Council established the goal of compensation at the median salary range. However, due to financial constraints for the most part salaries were set at 85% of the median. The purpose of establishing a goal of median wage is threefold: 1. To establish salary schedules that enable the City to retain good staff, 2. To establish salary schedules that enable the City to hire experienced and competent staff if vacancies do occur, and 3. To avoid the significant cost to recruit and train new staff that occurs with constant turnover. It should be noted the City has been successful in retaining management staff over the prior two year period.

The Council also set a goal of developing future budgets based on sustainability. To accomplish this objective positions were eliminated from prior budgets and will again be incorporated into the upcoming 2012-13 budget.

One of the major factors impacting the City's ability to sustain staffing levels is whether the City receives revenue in the form of a grant for Citizens Option for Public Safety/Supplemental Law Enforcement Services Funding or (COPS/SLESF). This funding is provided by the State but is contingent upon legislative approval.

The proposed Agreements and MOU's are structured to begin to close the gap between 85% of median wage and the target of 100% of median wage in addition to providing a minimum cost of living increase. In general, wage increases the first year of the Agreements are set at 2% with an additional 1% only if the City receives at least \$60,000 in COPS/SLESF funding for the fiscal year. This amount more than offsets the additional 1% increase.

In the second year of the proposed Agreements and MOU's incorporates an identical salary schedule increase of two percent plus one percent, again contingent upon COPS/SLESF funding. In addition, staff is only eligible for an increase if they receive a satisfactory performance review and the increase is approved by the City Manager. Thus the proposed salary increase over two years could range from 4% to 6%, partially closing the 15% gap in target salary levels.

Financial Impact:

The 2012-13 budget will incorporate the salary increases and total expenses will be well within projected revenue. The City will not need to use reserve funds as it has done in past years. The 2012-13 budget projects that revenues will exceed expenditures by \$192,273. It is proposed that these monies be used to fund the Capital Improvement Program (CIP) which will be presented to the Council in June or July.

City Manger Recommendation:

The City Manger recommends the Council receive and file the Employee Agreements and MOU's and place them on the June5, 2012 Council agenda for approval. The City Manager also wishes to acknowledge the very fine job that City staff does in serving the community and carrying out their responsibilities.
